

88 Ebley Street Bondi Junction NSW

A commercial development that effortlessly blends sophistication with the practicality of a highly functioning office space. First-class design by master architect Luigi Rosselli has each of the seven floors feeling like the top - along with breathtaking views of the Sydney Harbour. Verdical offers the opportunity to fit out whole floors to your exact specs, right in the heart of Bondi Junction.

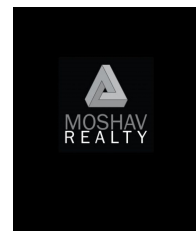

The first of its kind to be built in the beating heart of Bondi Junction. Verdical is a commercial development that effortlessly blends sophistication and the flair with the convenience and practicality of a highly functional office space. Standing eight stories high, this first-class design celebrates the stunning vistas of the iconic Sydney Harbour. Lofty ceilings and full-height windows make every floor feel like the top - and each one is ready and waiting for you to tailor your fit-out. Alongside luscious vertical
